Please indicate if you would be willing to help with a volunteer opportunity this year. Volunteer opportunities range from cheering student walkers during the Hawk Walk, to collecting admission at the Fall Mixer, to fundraising, web site maintenance, book fair shifts, teacher appreciation week, student art project leaders and much more.

Volunteering at Audubon is a great way to meet people, help our kids and share your time and skills in a meaningful way. Our volunteers make all our fundraising possible, assist our teachers, allow for special programs like supplemental math and contribute to our wonderful community spirit. **WE NEED YOU!**

All we ask is that you complete the questions below and someone will contact you regarding potential opportunities.
